## Basic Small Flock and Urban Chicken Keeping

Ever thought it would be cool to have a few chickens running around in the yard? How about an omelet with absolutely fresh eggs your kids gather a few minutes ago? This workshop will teach the basics of keeping chicken and help you find the resources to gain more knowledge.

Instructor: Paul Puhek, S & P Homestead Farm, Otis Orchards

Paul and his wife Susan raise chickens and vegetables on their small acreage in Otis Orchards and sell eggs and produce at the Liberty Lake Farm

### Topics to be Covered:

City regulations for keeping urban chickens

Housing

Breed selection

Care and Feeding

Eggs and egg handling including health and handling requirements.

### WINTER FARM SCHOOL

is a series of winter 2009-2010 workshops being put on by the Small Farms Program to provide small agricultural interests with education and training to improve to create sustainable farm for themselves and the community. For information on this and other workshops in the series please go to <http://www.spokane-county.wsu.edu/Rural%20Living/Index.html>
